

A close-up photograph of a green plastic component, likely a connector or part of a circuit board. The component has a rectangular shape with several rectangular cutouts along its top edge and a central slot. It is positioned diagonally across the frame.

A close-up photograph showing the bottom edge of a white computer case. On the left side, there is a vertical ribbed vent. To the right of the vent are two drive bays, each containing a blue and black hard drive. The drives are mounted in a metal bracket.
